

Ullapool Museum VE Day Interviews

Find out more about VE Day and WW2 by asking someone that remembers the events.

This could be a Grandparent, Great Grandparent, Auntie, Uncle or a Family Friend.

Ask them these questions and write down what they have said.

At the end think about how times have changed between 1940's and 2020... Do you think lives were better or worse during WW2?...What bits sound good?...What bits sound bad?
